**Multiplier
Event E1**

1. Executive Summary

The E1 multiplier event of the DIGIMAN project was organized by the University of Craiova. The workshop dedicated to the DIGIMAN project was held on the 8th of April 2022 in Cluj-Napoca. At this workshop we had an audience of 54 participants which is more than planned initially (40 participants). During the event, the results of the project were presented to industry stakeholders, teachers and students from other institutions such as: WELDONS Bucharest, Ductil SA Buzau, Universitatea Dunarea de Jos-Galati, Universitatea Politehnica din Timisoara, SUDOMETAL, NAMICON, etc. The main objectives and goals of the project were presented during the presentation, with special attention to the learning management system and the results of the learning materials.

2. Multiplier Events | Main Purposes

DIGIMAN aims to elaborate a master programme study related to digital manufacturing to meet the needs and challenges of Industry 4.0 and therefore improve the performance of the companies. During this event, stakeholders from the industry and academy were informed about the project's goals and results.

3. Topics to be covered in the multiplier event E1

In the E1 multiplier events the following topics were addressed:

- Results of the questionnaire about the needs of stakeholders for the education of digital manufacturing
- Presenting the digital educational tools and augmented reality systems
- Results of the developed curriculum
- Results of the learning and teaching materials in the e-learning system
