SHORT-TERM COURSE C3 – DIGITAL TOOLS FOR TEACHING, LEARNING AND ASSESSING

Between the days 21st and 25th of 2022, Budapest University of Technology and Economics (BME) hosted the short-term joint staff training event named "Digital Tools for Teaching/Learning/Assessing". This short-term event had the goal to transfer the knowledge to the teachers (lecturers) from the project consortium. The topic approached during the short-term course was related to new innovative teaching, learning and assessing methodology using the digital tools developed during the project implementation. This learning activity allowed the participants of Universitatea din Craiova – RO, European Federation for Welding Joining and Cutting – BE, Budapesti Muszaki Es Gazdasagtudomanyi Egyetem – HU, Augmented Training Services S.L. - ES, Universitatea Tehnica din Cluj-Napoca – RO, Universidade de Lisboa - PT and Hochschule Heilbronn – DE to gain new digital and technical competences.

TRANSNATIONAL PROJECT MEETING #3

On the last 25th and 26th of February 2022 the 3rd transnational project meeting of the **DIGIMAN** project took place at the premises of Budapest University of Technology and Economics (BME), in the University of Technology and Economics (Hungary).

DIGIMAN Partners' Meeting gathered all project partners to analyse the state of play of the remaining actions to be addressed and to plan the next steps to take, including the organization of **DIGIMAN's** Final Conference (to be carried out by Universitatea Tehnica din Cluj-Napoca - RO). The meeting started with a project update and review of the European scope implicit to the project. The initial session was followed by a review of the upcoming actions on the still active work packages. Finally concluded with a review of the actions listed during the meeting and partners were optimistic in keeping aligned with what is scheduled.
